Bring your questions, bring your creative dreams unrealized, bring anything you can think of regarding the creation of expressive art and we will attempt to answer them all within the realm of Acrylic, Oil and Watercolor paints.

In this dynamic 2-hour presentation of multi-dimensional and varied disciplines within mixed media, I will share samples and examples across a wide range of creative materials to help you find the sweet spot in your own creative output. I promise it will be like nothing you've ever seen from me before.
