

LOYALTY ★ REWARDS ★ PROGRAM

This program is our way of giving back to the community and its many extraordinary teachers who have supported Art & Frame throughout the years. In an effort to do this, we have developed a program where organizations/instructors will receive 2% back for any purchases their students make on art supplies and custom framing. The 2% rebate will be issued in the form of an Art & Frame gift card at the end of each calendar year.

By submitting the required information below the instructor will receive an account to track all of their student's sales. At the time of purchase the student will be asked for their instructor's name and the sale will be then recorded under the respective teachers account.

Instructors will need to send their materials requirements to Art & Frame three weeks prior to the start date of the course. This is to help with inventory and ensure supplies are available.
